

FREQUENTLY ASKED QUESTIONS

When can I see my pictures after a shoot?

If you have a studio session, you can see photos in real-time as we shoot! If your shoot was outdoors, you can expect to see your album up online within 10 business days.

How do I order my photos?

Photos will be online at BlueCardinalPhotography.com, and you'll get an email with your album link and password. Once online, go to Portraits > Seniors > Your Name. Select a photo you wish to add, and then select the size/format you'd like. You can then choose your shipping at checkout and pay by credit card. Orders will be shipped straight to your house!

I don't want to order photos online. Is there another way?
